Description

This Carthago Chic E-Line I51 ?Linerclass? represents the perfect combination of luxury, engineering excellence, and long-distance travel comfort. Finished in elegant silver metallic, this motorhome is in immaculate condition, meticulously maintained, and equipped with an extensive list of high-end extras.

With a length of 7.83 meters, a width of 2.27 meters, and a height of 3.20 meters, it offers a spacious and refined living environment. Built on a robust platform with a 180 HP engine and automatic transmission, it ensures a smooth and reliable driving experience, complemented by a VB-Air full air suspension system for maximum comfort and stability.

Inside, the layout is thoughtfully designed for 4 people, featuring:

Twin single beds and an additional electric drop-down bed

A spacious side bathroom

A bright and open living area with premium finishes

The motorhome is exceptionally well equipped for independent and luxury travel, including:

Comfort & Living:

High-end interior in pristine condition

Electric roof skylight (Heki) with rain sensor

Full LED lighting throughout all storage compartments

Thetford compressor refrigerator with separate freezer drawer

Built-in oven, gas cooker, and extractor fan

Alde heating system supported by a Webasto diesel heater

Technology & Autonomy:

300Ah lithium battery system

400W roof solar panel + additional 200W portable solar panel

3000W Victron inverter (pure sine wave)

Additional battery charger for both leisure and starter batteries

LTE & WiFi external antenna ? create your own onboard network

Garmin Camper navigation system with rear-view camera

Water & Utilities:

200L fresh water tank / 200L waste water tank

UV water purification system

Gas tank system with external filling and app monitoring

Clesana C1 modern cassette-free toilet system

Exterior & Practical Features:

VB-Air suspension with leveling, lifting, and tilt functions

Large rear garage with Thule sliding bike system

Heavy-duty rear bike carrier (up to 90 kg)

Electric awning with full-length LED lighting

Rain blocker set for extended outdoor comfort

MaxxFan ventilation system

Advanced security with HeoSafe locks and window protection

Additional highlights include:

Satellite system (Oyster) with 24? TV

Gas and anesthetic gas detector

Multiple USB and power outlets throughout
