Description

Mercedes-Benz G-Class G 350 d 4MATIC - 245 HP (180 kW)

The Mercedes-Benz G-Class stands for unmistakable design, outstanding capability and premium comfort. This G 350 d 4MATIC combines the legendary character of the G-Class with a powerful 245 HP (180 kW) diesel engine and all-wheel drive, making it equally suited to everyday driving and demanding road conditions.

The exterior in **green metallic paintwork** gives this G-Class a distinctive and timeless appearance, while the robust SUV design remains instantly recognisable.

Inside, the vehicle offers a high level of comfort with a **leather interior, electrically adjustable seats, front seat heating and ventilation, heated rear seats and a 3-zone automatic climate control system**. The leather multifunction steering wheel, automatic dimming interior mirror and electrically adjustable mirrors further enhance everyday convenience.

The extensive equipment also includes a **navigation system, DAB radio, Bluetooth, USB/media interface and premium sound system**, providing excellent connectivity and entertainment on every journey.

For enhanced driving comfort and safety, the G-Class is equipped with **adaptive cruise control, blind-spot assistance, collision warning, emergency braking assistance, traction control, ESP, ABS and a tyre-pressure monitoring system**. A light sensor, rain sensor, high-beam assistant and cornering light function add further convenience.

Parking and manoeuvring are made easier with **front and rear parking sensors and a reversing camera**. The vehicle also features **LED headlights, LED daytime running lights and headlight cleaning system**.

The G 350 d 4MATIC is particularly well equipped for different seasons and conditions. It comes with **both summer and winter tyres**, a winter package, heated windscreen and auxiliary heating. The **trailer coupling and differential lock** further underline the versatile character of this G-Class.

Additional equipment includes a **sunroof, tinted windows, electric windows, electrically adjustable seats and mirrors, ISOFIX, central locking, immobiliser, alarm system, power steering and an onboard computer**.

The vehicle is listed as a **used car**, with 5 doors and 5 seats.
